

AGENDA

Newsflash I have an agenda / It's more than merely opinion
It's pure fact that challenges fiction / The Truth of God is absolute like His eternal Kingdom
Right now there is insurrection / Men bound in lies and deception
They tout free love and acceptance / While they justify corruption in the name of freedom

There is no compromise for some things are black and white
A demarcation line separating wrong from right
This then is the message which we heard from Him that
God is light and in Him is no darkness at all

Knock knock will anyone open / And unlock to heed what He's spoken
To love God you gotta be broken / If you wanna find your life you're gonna have to lose it
Shake shake He's already shaking / Wake wake no time to be wasting
Break break all idols forsaking / The grace of God is no excuse for sin so don't abuse it

It's time to choose your side Will you be found next to Christ
Sin's power has been denied by His resurrection life
If we say that we have fellowship with Him yet
Walk in darkness we lie and do not live by truth

Heap heap they're heaping up teachers / Who preach preach what they wanna hear
To please please and tickle men's ears / Forsaking the eternal way they lead 'em to destruction
Their condemnation is certain / They're godless men of perversion
With no qualm they follow their urges / For whom the gloom of blackest darkness is reserved forever

You know that you're a slave to the one whom you obey
Sin leads unto the grave Obedience to righteous ways
If we claim we have no sin we deceive ourselves
Making God a liar and His word is not in us

(Bridge) "Love Love Everybody free" (That's what they're saying)
"No such thing as sin you see" (Their lies pervading)
"Don't judge saying we're deceived" (Their false persuading)
"You're an enemy of peace" (Their voices raising)

"We stand for unity! We stand for harmony!
Now we are truly free! Peace and safety! Peace and safety!"
And when they say these things Destruction will come suddenly
The Day just like a thief will catch them and there's no escaping!

Hello Do not be deceived / What man sows he will also reap
Don't you know God isn't naïve / He cannot be mocked but people try Him nonetheless
We must contend for the faith / Entrusted unto the saints
No lust or immoral taint / Hate even the garment that is spotted by the flesh

Jesus has overcome King of Kings God's only Son
Returning as the Judge with all of His holy ones
If we walk in light as He is in the light
The blood of Jesus purifies us from all sin

Newsflash I have an agenda / To advance the eternal Kingdom!
