

BETRAYED

He came unto His own and they knew Him not
He laid aside His Throne / Became the Lamb of God
He had no comeliness that we should desire Him
And He was betrayed by one that He called friend

Like a little lamb led to the slaughter
He lifted not His voice before the shearers

(Chorus) Betrayed
Accused
Beaten Torn and Bruised
Denied
Alone
Rejected by His own
Despised
And Scorned
With ridicule adorned
Wounded
Mocked
Forsaken by His God
He was betrayed

He was despised by men and afflicted of God
We hid our face from Him / Esteemed Him not
A man of many sorrows / Acquainted with grief
The Lord hath laid upon Him our iniquity

Caught within a thicket — Lo! / Behold the Ram
Perfect sacrifice provided by I AM

(Chorus)

(Bridge) You were sold for thirty silver pieces
And betrayed with one kiss
You took the cup and drank it all oh Jesus
No greater love than this
You were betrayed

Even unto death became obedient
Lifted on a cross even becoming sin
Hanging on that tree where He became the curse
For His enemies endured the very worst

The Scriptures were fulfilled / Yes every single one
Perfect love revealed in Jesus God's own Son

(Chorus)

(Outro) He was betrayed
You were betrayed
You were betrayed
You were betrayed
