

DELIVER US FROM EVIL

The Son of Man shall send forth His angels / And they shall weed out of His Kingdom
Everything that causes sin and all who do evil
This is the judgment and condemnation / The Light has come into the world
And men loved darkness instead of the Light for their deeds were evil

Oh Lord Your Kingdom come / Upon the earth as in Heaven

The eyes of God are upon the righteous / His ears attentive to their prayers
But His face is set against those who do evil
See therefore you walk carefully / Not as fools but as wise
Make the most to redeem your time for the days are evil

Oh Lord forgive our sins (as we forgive) / And lead us not into temptation

(Chorus) Deliver us Deliver us Deliver us from evil

We wrestle not with flesh and blood / But powers and principalities
Against the forces of this present darkness and spiritual evil
Therefore put on God's full armor / So you're able to stand your ground
And having done all to be found standing in the day of evil

Oh Father forgive our sins (as we forgive) / And lead us not into temptation

(Chorus) Deliver us Deliver us Deliver us from evil

(Tag) For Thine is the Kingdom the power the glory forever and ever amen
For Thine is the Kingdom the power the glory forever!

(Bridge) *Lo the days are evil and the Lord is coming soon / He returns with vengeance in His eyes
And everything that's evil will surely meet its doom / Before the holy judgment seat of Christ
When all that's wrong will be made right!*

*No more injustice and no more oppression and no more unrighteousness ever again
No more idolatry no more deception and no more fear nor any sin
There'll be no darkness and no more destruction and no more defiling ever again
No more perversion and no more corruption and no more death— evil shall end!*

*For the Lord Almighty is a mighty man of war / And He will destroy all His foes
All those who oppose Him shall be slain with His sword / And everything shall be exposed
By the One Who sits on the Throne!*

Be not overcome with evil / But overcome evil with good
Jesus died to deliver us from this age that is evil
Indeed the Lord shall surely deliver / To Him be glory forever and ever
And bring us safely to His heavenly Kingdom where there is no evil

(Chorus) Deliver us Deliver us Deliver us from evil

(Tag) For Thine is the Kingdom the power the glory forever and ever amen
For Thine is the Kingdom the power the glory forever!

(Ending) Deliver us Deliver us Deliver us from evil / Deliver us Deliver us Deliver us from evil
Deliver us / Your Kingdom come!
