

# HEED THE CALL

Why do I do the things I don't want to  
I want to be true to You  
Help me to see You are all that I need  
I'll follow Your lead

(Chorus 1) I count the cost and the price is great  
But I'll give it all  
For the reward is much more than the cost  
If I'll heed the call

The good is the enemy of the best  
I don't want to settle for less  
This life is full of many distractions  
You watch my reactions

(Chorus 2) I count the cost and the price is great  
But I'll give it all  
For the reward is greater than the cost  
If I'll heed the call

(Bridge) I'll overcome by the blood of the Lamb  
And the word of my testimony  
I'll overcome by loving not my life even unto death

I must give up everything I cherish  
If I desire to be Yours and not perish  
I'll walk by faith and not by what I feel  
I'll live for what's real

(Chorus 3) I count the cost and the price is great  
But I'll give it all  
For in the end the reward is greater  
If I'll heed the call  
If I'll heed the call
