

LAZARUS

Do not hold onto your
Graveclothes oh Lazarus
You will live if you'll cleave to Jesus
Oh we will see His glory
If we but just believe
He whom the Son sets free is free indeed

He is the Resurrection and the Life
Arise / Arise / Arise

(Chorus) Lazarus come forth
Lazarus come forth
Lazarus come forth
Lazarus come forth

We have been grieving for him
Dead and laid within the tomb
Now Lord You tell us "Take away the stone"
We have been weeping for him
Bound and wasting in the grave
But I believe that You have come to save

Lord You are calling in a Voice so loud
Come out! / Come out! / Come out!

(Chorus) Lazarus come forth
Lazarus come forth
Lazarus come forth
Lazarus come forth

(Bridge) I am the One who calmed the storm
In My image you were formed
I am the One Who walked on water
I am the Everlasting Father
I am your Maker and your God
Know who you are and what you're not
I shall be glorified in thee
Now rise and be set free

(Chorus) Lazarus come forth
Lazarus come forth
Lazarus come forth
Lazarus come forth

Do not hold onto your
Graveclothes oh Lazarus
He will live who believes in Jesus
