

LIBERATE

I just want to worship You / In Spirit and in Truth / Without inhibition
I just want to follow You / And do what I see You do / Without man's restrictions
"This is the way to get in" so they say / Tell me why must we get in His way?

It's all about control / It's all about containing / It's all about predictability
It's all about the mold / It's all about the label / It's all about our insecurity

You said "Bring My saints to Me" / But they bring them to beliefs / Too many opinions
While I worship from my heart / They secretly judge afar / So full of suspicion
Why must there be all these rules for our worship? / It's not by might or by power but by His Spirit / (And yet...)

It's all about the room / It's all about the people / It's all about the sake of ministry
It's all about the cause / It's all about the concept / It's all about sustaining what we've seen

(Chorus) Liberate / Liberate
All for the One
Liberate / Liberate
Free like the Son
Jesus You came as a servant so humble
Yet You were free from the need for approval
Though You were man's slave
You never wore their chains
Liberate / Liberate
You have set us free
Liberate / Liberate
I am free indeed

It's You that I must obey / It matters not what they say / My eye is on my Father
I'm fashioned by Your Hand / And not made by any man / Not the image of another
In our attempts to become better Christians / We pass Him by to embrace our religion / (Where alas it's...)

All about the goal / All about performance / All about the wrong mentality
It's all about the fear / It's all about the what ifs / It's all about our doubt and unbelief

(Bridge) It was for freedom that You have set us free
It was for freedom that You have set us free
It's all about You
It's all about Love

You are our Daily Bread / The Church's only Head / I give You expression
I turn my heart inside out / Like water before You now / In total abandon
We will be rooted in Christ and grounded in love / So full of wisdom there'll be no room left to judge / (Cause it's really...)

All about the Blood / All about the Father / All about the price You paid for me
It's all about the Truth / It's all about fulfillment / And all about Your great sufficiency

(Chorus)

I just want to worship You / In Spirit and in Truth / Without inhibition
